About Us

Sunshine Coast Independent Living Service provides a range of flexible tailored services to people with a disability that promote independence.

We support you to develop independence in the community and the confidence and resilience to adjust to the changes of everyday life.

Our services are uniquely designed to your individual requirements. Just as no two people are the same, we believe in making our services the best fit for you, rather than making you fit into pre-existing 'boxes'.

Our Mission

Our mission is to support people with a disability to develop skills for life by providing flexible, tailored personal development services that foster independence, confidence & resilience.

Our Vision

To support people with a disability to access and connect with their local community and live as independently as possible.

Our Values

Our core values underpin the quality service we deliver to every customer

Integrity

Compassionate Understanding
